PART OF YOUR PERMIT

Mushroom permit stipulations

These stipulations are part of your permit. Breaking them can lead to a fine, loss of your permit, or both.

1. Collect only the amount on your permit. The limit applies to the whole permit, not each day.
2. Cut or pinch mushrooms at the base. Do not rake, dig or disturb the soil.
3. Cut morels in half lengthwise before you leave the collection area.
4. Carry mushrooms in a mesh bag or open basket so spores can spread.
5. Stay inside the collection areas shown on your map. Do not collect within 100 feet of trails or campgrounds.
6. Burned areas have falling trees and unstable ground. Stay out on windy days.
7. Mushrooms collected under this permit are for personal use and may not be sold.
8. Carry your signed permit while collecting and transporting mushrooms.
